Regence BlueShield

Introduction

Welcome to participation in the self-funded group health plan (hereafter referred to as "Plan") provided for You by Your employer. Your employer has chosen Regence BlueShield to administer claims for Your group health plan. Throughout this Booklet, Your employer may be referred to as the "Plan Sponsor."

EMPLOYER PAID BENEFITS

Your Plan is an employer-paid benefits plan administered by Regence BlueShield (usually referred to as the "Claims Administrator" in this Booklet). This means that Your employer, not Regence BlueShield, pays for Your covered medical services and supplies. Your claims will be paid only after Your employer provides Regence BlueShield with the funds to pay Your benefits and pay all other charges due under the Plan. The Claims Administrator provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Because of their extensive experience and reputation of service, Regence BlueShield has been chosen as the Claims Administrator of Your Plan.

The following pages are the Booklet, the written description of the terms and benefits of coverage available under the Plan. This Booklet describes benefits effective April 1, 2015, or the date after that on which Your coverage became effective. This Booklet replaces any plan description, Booklet or certificate previously issued by Regence BlueShield and makes it void.

As You read this Booklet, please keep in mind that references to "You" and "Your" refer to both the Participant and Enrolled Dependents (except that in the Who Is Eligible, How To Enroll And When Coverage Begins, When Coverage Ends, COBRA Continuation, and Other Continuation Options sections, the terms "You" and "Your" mean the Participant only). The term "Agreement" refers to the administrative services contract between the Plan Sponsor and the Claims Administrator. Other terms are defined in the Definitions Section at the back of this Booklet or where they are first used and are designated by the first letter being capitalized.

NON-GRANDFATHERED

This coverage is a "non-grandfathered health plan" under the Patient Protection and Affordable Care Act (PPACA).

This employee benefit plan may be governed by the Employee Retirement Income Security Act (ERISA). Throughout the Booklet, references to "ERISA" will apply only if the Plan is part of an employee welfare benefit plan regulated under ERISA.

Federal law mandates coverage for certain breast reconstruction services in connection with a covered mastectomy. See Women's Health and Cancer Rights in the General Provisions Section of this Booklet for details.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act: Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending Provider (e.g., Your Physician, nurse midwife, or Physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or other health care provider obtain preauthorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain preauthorization. For information on preauthorization, contact Your Plan Administrator.

Using Your Booklet

This Plan, administered by Regence, provides You with great benefits that are quickly accessible and easy to understand, thanks to broad access to Providers and innovative tools. With this health care coverage, You will discover more personal freedom to make informed health care decisions, as well as the assistance You need to navigate the health care system.

YOU SELECT YOUR PROVIDER AND CONTROL YOUR OUT-OF-POCKET EXPENSES

Your Plan gives You broad access to Providers and allows You to control Your out-of-pocket expenses, such as Copayments and Coinsurance, for each Covered Service. Here's how it works – You control Your out-of-pocket expenses by choosing Your Provider under three choices called: "Category 1," "Category 2" and "Category 3."

- **Category 1.** You choose to see a preferred Provider and save the most in Your out-of-pocket expenses. Choosing this category means You will not be billed for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.
- **Category 2.** You choose to see a participating Provider and Your out-of-pocket expenses will generally be higher than if You choose Category 1 because larger discounts with preferred Providers may be negotiated that will result in lower out-of-pocket amounts for You. Choosing this category means You will not be billed for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.
- **Category 3.** You choose to see a Provider that does not have a participating contract with the Claims Administrator and Your out-of-pocket expenses will generally be higher than Category 1. Also, choosing this category means You may be billed for balances beyond any Deductible, Copayment and/or Coinsurance. This is sometimes referred to as balance billing.

For each benefit in this Booklet, the Provider You may choose and Your payment amount for each Category is indicated. Categories 1, 2 and 3 are also in the Definitions Section of this Booklet. You can go to **www.Regence.com** for further Provider network information.

ADDITIONAL PARTICIPATION ADVANTAGES

Your Plan offers You access to valuable services. The advantages of Regence involvement as the Claims Administrator include admission to personalized health care planning information, health-related events and innovative health-decision tools, as well as a team dedicated to Your personal health care needs. These additional valuable services are a complement to the group health plan, but are not insurance.

Understanding Your Benefits

In this section, You will discover information to help You understand what is meant by Your Maximum Benefits, Deductibles (if any), Copayments, Coinsurance and Out-of-Pocket Maximum. Other terms are defined in the Definitions Section at the back of this Booklet or where they are first used and are designated by the first letter being capitalized.

While this Understanding Your Benefits Section defines these types of cost-sharing elements, You need to refer to the Medical Benefits Section to see exactly how they are applied and to which benefits they apply.

MAXIMUM BENEFITS

Some benefits for Covered Services may have a specific Maximum Benefit. For those Covered Services, benefits will be provided until the specified Maximum Benefit (which may be a number of days, visits, services, dollar amount, or specified time period) has been reached. Allowed Amounts for Covered Services provided are also applied toward any Deductible and against any specific Maximum Benefit that is expressed in this Booklet as a number of days, visits or services. Refer to the Medical Benefits Section of this Booklet to determine if a Covered Service has a specific Maximum Benefit.

OUT-OF-POCKET MAXIMUM

Claimants can meet the Out-of-Pocket Maximum by payments of Deductibles, Copayments and Coinsurance as specifically indicated in the Medical Benefits and Prescription Medication Benefits Sections. There are two Out-of-Pocket Maximum amounts: one for Category 1 and 2 benefits combined, and another amount for Category 3 benefits. The Medical Benefits Section describes this more fully, but in this Booklet, the term is referred to simply as "the Out-of-Pocket Maximum." A Claimant's Deductible (if applicable), Copayment and/or Coinsurance payment for detoxification, emergency room, Prescription Medication Benefits and benefits listed in the Medical Benefits Section that show under the Category "All" will apply toward the Category 1 and 2 Out-of-Pocket Maximum amount. Any amounts You pay for non-Covered Services or amounts in excess of the Allowed Amount do not apply toward the Out-of-Pocket Maximum. You will continue to be responsible for amounts that do not apply toward the Out-of-Pocket Maximum, even after You reach the Out-of-Pocket Maximum of the Plan.

Once You reach the Out-of-Pocket Maximum, benefits subject to the Out-of-Pocket Maximum will be paid at 100 percent of the Allowed Amount for the remainder of the Calendar Year.

There are two Family Out-of-Pocket Maximum amounts: one for Category 1 and 2 benefits combined, and another amount for Category 3 benefits. The Family Out-of-Pocket Maximum for a Calendar Year is satisfied when three or more Family Members' Coinsurance for Covered Services for that Calendar Year total and meet the Family's Out-of-Pocket Maximum amount. One Claimant may not contribute more than the individual Out-of-Pocket Maximum amount.

COPAYMENTS

Copayments are the fixed dollar amount that You must pay directly to the Provider for office visits, emergency room visits or Prescription Medication each time You receive a specified service or medication (as applicable). The Copayment will be the lesser of the fixed dollar amount or the Allowed Amount for the service or medication. Refer to the Medical Benefits Section to understand what Copayments You are responsible for.

Copayments applicable to Prescription Medications are located in the Prescription Medication Benefits Section of this Booklet.

PERCENTAGE PAID UNDER THE PLAN (COINSURANCE)

Once You have satisfied any applicable Deductible and any applicable Copayment, the Plan pays a percentage of the Allowed Amount for Covered Services You receive, up to any Maximum Benefit. When payment is less than 100 percent, You pay the remaining percentage (this is Your Coinsurance). Your Coinsurance will be based upon the lesser of the billed charges or the Allowed Amount. The percentage the Plan pays varies, depending on the kind of service or supply You received and who rendered it.

The Plan does not reimburse Providers for charges above the Allowed Amount. However, a Preferred or Participating Provider will not charge You for any balances for Covered Services beyond Your Deductible, Copayment and/or Coinsurance amount if You choose Category 1 or Category 2. Nonparticipating Providers, however, may bill You for any balances over the Plan payment level in addition to any Deductible, Copayment and/or Coinsurance amount if You choose Category 3. See the Definitions Section for descriptions of Providers.

Coinsurance amounts applicable to Prescription Medications are located in the Prescription Medication Benefits Section of this Booklet.

DEDUCTIBLES

The Plan will begin to pay benefits for Covered Services in any Calendar Year only after a Claimant satisfies the Calendar Year Deductible. There are two Deductibles: one for Category 1 and 2 benefits combined, and another for Category 3 benefits. The Medical Benefits Section describes this more fully, but in this Booklet, the term is referred to simply as "the Deductible." A Claimant satisfies the Deductible by incurring a specific amount of expense for Covered Services during the Calendar Year for which the Allowed Amounts total the Deductible. The Plan does not pay for services applied toward the Deductible. Refer to the Medical Benefits Section to see if a particular service is subject to the Deductible. A Claimant's Deductible amount paid toward Covered Services listed in the Medical Benefits Section under the Category "All" will apply toward the Category 1 and 2 Deductible amount.

There are two Family Calendar Year Deductible amounts: one for Category 1 and 2 combined, and another for Category 3 benefits. The Family Calendar Year Deductible is satisfied when three or more covered Family Members' Allowed Amounts for Covered Services for that Calendar Year total and meet the Family Deductible amount. One Claimant may not contribute more than the individual Deductible amount. Any amounts You pay for non-Covered Services, Copayments or amounts in excess of the Allowed Amount do not count toward the Deductible.

In addition, if Covered Services are incurred during the last three months of a Calendar Year and are applied toward the Deductible for that year, then any amount for Covered Services applied toward such Deductible during the last three months will be carried forward and applied toward the Deductible for the following year.

HOW CALENDAR YEAR BENEFITS RENEW

Many provisions of the Plan (for example, Deductibles, Out-of-Pocket Maximum, and certain benefit maximums) are calculated on a Calendar Year basis. Each January 1, those Calendar Year maximums begin again.

Some benefits of the Plan may have a separate Maximum Benefit based upon a Claimant's Lifetime and do not renew every Calendar Year. Those exceptions include teaching doses of Self-Administerable Injectable Medication, hospice respite care, and nutritional counseling and are further detailed in the benefits sections of this Booklet.

Medical Benefits

In this section, You will learn about Your health plan's benefits and how Your coverage pays for Covered Services. There are no referrals required before You can use any of the benefits of this coverage, including women's health care services. For Your ease in finding the information regarding benefits most important to You, the Plan has listed these benefits alphabetically, with the exception of the Preventive Care and Immunizations, Office Visits and Professional Services benefits.

All covered benefits are subject to the limitations, exclusions and provisions of this plan. To be covered, medical services and supplies must be Medically Necessary for the treatment of an Illness or Injury (except for any covered preventive care). Also, a Provider practicing within the scope of his or her license must render the service. Please see the Definitions Section in the back of this Booklet for descriptions of Medically Necessary and of the kinds of Providers who deliver Covered Services.

A Health Intervention may be medically indicated or otherwise be Medically Necessary, yet not be a Covered Service under the Plan.

If benefits under the Plan change while You are in the Hospital (or any other facility as an inpatient), coverage will be provided based upon the benefit in effect when the stay began.

For a list of services covered under this benefit, please visit **www.Regence.com** or contact Customer Service at 1 (800) 962-0301. Chemical dependency is an addictive relationship with any drug or alcohol characterized by a physical or psychological relationship, or both, that interferes on a recurring basis with an individual's social, psychological, or physical adjustment to common problems. Chemical dependency does not include addiction to or dependency on tobacco, tobacco products, or foods.

Chemical Dependency Services mean Medically Necessary outpatient services, Residential Care, partial hospital program or inpatient services provided by a licensed facility or licensed individuals with the exception of Skilled Nursing Facility services (unless the services are provided by a licensed behavioral health provider for a covered diagnosis), home health services and court ordered treatment (unless the treatment is determined to be Medically Necessary).

Residential Care means care received in an organized program which is provided by a residential facility, Hospital, or other facility licensed, for the particular level of care for which reimbursement is being sought, by the state in which the treatment is provided.

Exclusively for the purpose of this Chemical Dependency benefit, "medically necessary" or "medical necessity" is defined by the American Society of Addiction Medicine patient placement criteria. "Patient placement criteria" means the admission, continued service and discharge criteria set forth in the most recent version of the Patient Placement Criteria for the Treatment of Substance Abuse-Related Disorders as published by the American Society of Addiction Medicine.

Limit: 42 treatments per Treatment Period per Claimant		

When Your Physician recommends kidney dialysis, You must first contact the Claims Administrator to begin Case Management and activate Your enrollment. Services related to kidney dialysis received prior to enrolling are not covered expenses under the Plan. Once enrolled, the Plan covers professional services, supplies, medications, labs, and facility fees related to outpatient kidney dialysis. Expenses that are applied toward any Deductible and services received prior to enrollment will be applied against the Maximum Benefit limit on these services.

Covered Services include, but are not limited to, hemodialysis, peritoneal dialysis, and hemofiltration. Covered Services also include the first 42 treatments received to complete the first Treatment Period, as calculated from the initial kidney dialysis treatment. See the Supplemental Kidney Dialysis in this benefit for coverage after the first 42 treatments in the first Treatment Period. If more than 42 treatments are necessary in the first Treatment Period prior to Medicare coverage enrollment, the Claims Administrator must be contacted to approve the additional treatment and document Your progress until Your dialysis benefits have begun with Medicare. For the purposes of this benefit, "Treatment Period" means the beginning and end of the dialysis treatment cycle prescribed by Your Physician.

The Plan will pay regular Plan benefits when services are rendered outside the country.

Supplemental Kidney Dialysis – Outpatient

For any subsequent outpatient kidney dialysis beyond the first Treatment Period, the Plan will provide additional supplemental coverage as described here. This Supplemental Kidney Dialysis benefit covers 150% of the current Medicare reimbursement amount, not subject to any Deductible, for the same or similar services as provided under the Kidney Dialysis benefit.

In addition, a Claimant with end stage renal disease (ESRD) is eligible to have Medicare Part B premiums reimbursed by the Plan as an eligible Plan expense for the duration of the Claimant's ESRD treatment, as long as the Claimant continues to be enrolled under Medicare Part B and continues to be eligible for coverage under this Plan (proof of payment of the Medicare Part B premium will be required prior to reimbursement).

Notwithstanding the above, in the event a Provider accepts Medicare assignment as payment in full, the eligible expenses are the lesser of the total amount of charges allowable by Medicare and the total eligible expenses allowable under this Plan, exclusive of Coinsurance and regardless of Your Medicare enrollment. This Supplemental Kidney Dialysis benefit applies to all Providers providing kidney dialysis related services.

Provider: Preferred	Provider: Participating	Provider: Nonparticipating
Payment: The Plan pays 100% of the Allowed Amount.	Payment: The Plan pays 70% and You pay 30% of the Allowed Amount. Your 30% payment will be applied toward the Out-of-Pocket Maximum.	Payment: After Deductible, the Plan pays 70% of the Allowed Amount and You pay balance of billed charges. Your 30% payment of the Allowed Amount will be applied toward the Out-of-Pocket Maximum.

The Plan covers transplants, including transplant-related services and supplies for covered transplants. A transplant recipient who is covered under this Plan and fulfills Medically Necessary criteria will be eligible for the following transplants: heart, lung, kidney, pancreas, liver, cornea, multivisceral, small bowel, islet cell and hematopoietic stem cell support (donor stem cells can be collected from either the bone marrow or the peripheral blood). Hematopoietic stem cell support may involve the following donors, i.e., either autologous (self-donor), allogeneic (related or unrelated donor), syngeneic (identical twin donor) or umbilical cord blood (only covered for certain conditions).

Donor Organ Benefits

The Plan covers donor organ procurement costs if the recipient is covered for the transplant under this Plan. Procurement benefits are limited to selection, removal of the organ, storage, transportation of the surgical harvesting team and the organ and other such procurement costs that are determined to be paid under the Plan.

Transplant Waiting Period

You will not be eligible for any benefits related to a transplant until the first day of the 13th month of continuous coverage under this or any previous medical plan with the Claims Administrator, whether or not the condition is preexisting.

The duration of the transplant waiting period will be reduced by the amount of Your combined periods of creditable coverage if You have been covered by creditable coverage. For crediting to apply for more than one creditable coverage, there must have been no break in creditable coverage greater than 63 days immediately preceding Your enrollment date of coverage under the Plan or between any two successive creditable coverages for which You seek credit. For the purpose of the transplant waiting period, creditable coverage also includes one immediately previous and otherwise creditable coverage that terminated in the period beginning 90 days and ending 64 days before the date of application for coverage under the Plan. Creditable coverage may still be in force at the time credit for it is sought on this coverage.

Creditable coverage means any of the following: group coverage (including self-funded plans); individual insurance coverage; S-CHIP; Medicaid; Medicare; CHAMPUS/Tricare; Indian Health Service or tribal organization coverage; state high-risk pool coverage; Federal Employee Health Benefit Plan coverage; and public health plans (including foreign government and US government plans).

Creditable coverage is determined separately for each Claimant.

The following periods do not count in the calculation of the length of a break in coverage:

- days in a waiting period for eligibility for coverage under the Plan; and
- for an individual who elects COBRA continuation coverage during the second election period offered under the Trade Act of 2002, days between the loss of coverage and the first day of that second election period.

You have the right to demonstrate the existence of creditable coverage by providing the Claims Administrator with one or more certificates of creditable coverage from a prior group or individual plan or with other documentation. You may obtain a certificate of creditable coverage from a prior group health plan or insurer by requesting it within 24 months of coverage termination. The Claims Administrator can help You obtain a certificate from a prior plan or insurer or suggest other documents that will serve as alternatives to a certificate of creditable coverage as provided by federal law.

Prescription Medication Benefits

In this section, You will learn how Your Prescription Medication coverage works, including information about Deductibles (if any), Copayments, Coinsurance, Covered Services and payment, as well as definitions of terms specific to this Prescription Medication Benefits Section.

All terms and conditions of the Plan apply to this Prescription Medication Benefits Section, except as otherwise noted. Benefits will be paid under this Prescription Medication Benefits Section, not any other provision of the Booklet, if a medication or supply is covered under both.

COVERED PRESCRIPTION MEDICATIONS

Benefits under this Prescription Medication Benefits Section are available for the following:

- diabetic supplies (including test strips, glucagon emergency kits, insulin and insulin syringes, but not insulin pumps and their supplies), when obtained with a Prescription Order (insulin pumps and their supplies are covered under the Durable Medical Equipment benefit);
- Prescription Medications;
- Foreign Prescription Medications for Emergency Medical Conditions while traveling outside the United States or while residing outside the United States. The foreign Prescription Medication must have an equivalent FDA-approved Prescription Medication that would be covered under this section if obtained in the United States, except as may be provided under the Investigational definition in the Definitions Section of this Booklet;

- certain preventive medications (including, but not limited to, aspirin, fluoride, iron and Generic Medications for tobacco use cessation) according to, and as recommended by, the USPSTF, when obtained with a Prescription Order;
- all FDA-approved women's contraception methods as recommended by the HRSA;
- immunizations for adults and children according to, and as recommended by, the CDC;
- Self-Administerable Cancer Chemotherapy Medication;
- Self-Administerable Prescription Medications (including, but not limited to, Self-Administerable Compound and Injectable Medications); and
- Growth hormones (if preauthorized).

You are not responsible for any applicable Deductible, Copayment and/or Coinsurance when You fill prescriptions at a Participating Pharmacy, for specific strengths or quantities of medications that are specifically designated as preventive medications, women's contraceptives, or for immunizations, as specified above. For a list of such medications, please visit the Claims Administrator's Web site at **www.Regence.com** or contact Customer Service at 1 (800) 962-0301. NOTE: The applicable Deductible, Copayment and/or Coinsurance as listed in this Prescription Medication Benefits Section will apply when You fill preventive medications and immunizations that meet the above criteria, at a Nonparticipating Pharmacy.

GENERAL PRESCRIPTION MEDICATION BENEFITS INFORMATION (NETWORK, SUBMISSION OF CLAIMS AND MAIL-ORDER)

A nationwide network of Participating Pharmacies is available to You. Pharmacies that participate in this network submit claims electronically. There are more than 1,200 Participating Pharmacies in the Claims Administrator's Washington State network from which to choose.

Your Plan identification card enables You to participate in this Prescription Medication program, so You must use it to identify Yourself at any Pharmacy. If You do not identify Yourself as a Claimant through Regence BlueShield, a Participating Pharmacy or Mail-Order Supplier may charge You more than the Covered Prescription Medication Expense. You can find Participating Pharmacies and a Pharmacy locator on the Claims Administrator's Web site at **www.Regence.com**, or by contacting Customer Service at 1 (800) 962-0301. Medications dispensed to You while You are an inpatient in a Hospital, Skilled Nursing Facility, or other facility, that is not a Participating Pharmacy, will be provided under the applicable benefit.

Claims Submitted Electronically

You must present Your Plan identification card at a Pharmacy for the claim to be submitted electronically. You must pay any required Deductible, Copayment and/or Coinsurance at the time of purchase. If a Nonparticipating Pharmacy provides Your Prescription Medication and submits the claim electronically, the Nonparticipating Pharmacy will be paid directly. Nonparticipating Pharmacies, however, may charge amounts in excess of Covered Prescription Medication Expenses. If that happens, You will be responsible for the excess amounts, as well as any Deductible, Copayment and/or Coinsurance shown electronically to the Nonparticipating Pharmacy at the time of purchase.

Claims Not Submitted Electronically

When a claim is not submitted electronically, You must pay for the Prescription Medication in full at the time of purchase. For reimbursement, simply complete a Prescription Medication claim form and mail the form and receipt to the Claims Administrator. You will be reimbursed based on the Covered Prescription Medication Expense, less the applicable Deductible, Copayment and/or Coinsurance that would have been required had the medication been purchased from and submitted electronically by a Participating Pharmacy. Payment will be sent directly to You.

It is best to use a Participating Pharmacy so Your claims can be submitted electronically, and so You won't have to pay the difference between the Pharmacy's charges and the Covered Prescription Medication Expense in addition to Your Deductible, Copayment and/or Coinsurance.

Mail-Order

You can also use mail-order services to purchase covered Prescription Medications. Mail-order coverage applies only when Prescription Medications are purchased from a Mail-Order Supplier and the claim is submitted electronically. Not all Prescription Medications are available from Mail-Order Suppliers.

To buy Prescription Medications through the mail, simply send all of the following items to a Mail-Order Supplier at the address shown on the prescription mail-order form available on the Claims Administrator's Web site at **www.Regence.com**, or from the Plan Sponsor (which also includes refill instructions):

- a completed prescription mail-order form;
- any Deductible, Copayment and/or Coinsurance; and
- the original Prescription Order.

Claimant's Right to Safe and Effective Pharmacy Services

State and federal laws establish standards to assure safe and effective Pharmacy services, and to guarantee Your right to know what medications are covered and what coverage limitations are under the Plan. If You would like more information about the medication coverage policies under the Plan, or if You have a question or a concern about Pharmacy benefits, please contact the Claims Administrator at 1 (800) 962-0301.

PREAUTHORIZATION

Preauthorization may be required so that a determination that a Prescription Medication is Medically Necessary can be made before it is dispensed. The Claims Administrator publishes a list of those medications that currently require preauthorization. You can see the list on their Web site at **www.Regence.com**, or call Customer Service at 1 (800) 962-0301. In addition, participating Providers, including Pharmacies, are notified which Prescription Medications require preauthorization. The prescribing Provider must provide the medical information necessary to determine Medical Necessity of Prescription Medications that require preauthorization.

Coverage for preauthorized Prescribed Medications begins on the date the Claims Administrator preauthorizes them. If Your Prescription Medication requires preauthorization and You purchase it before the Claims Administrator preauthorizes it or without obtaining the preauthorization, the Prescription Medication may not be covered, even if purchased from a Participating Pharmacy.

LIMITATIONS

The following limitations apply to this Prescription Medication Benefits Section, except for certain preventive medications as specified in the Covered Prescription Medications section:

Maximum 30-Day or Greater Supply Limit

- **Injectable Medications Supply.** The largest allowable quantity for Self-Administerable Injectable Medications purchased from a Pharmacy is a 30-day supply. The largest allowable quantity for Self-Administerable Injectable Medications purchased from a Mail-Order Supplier is a 90-day supply.
- **Mail-Order and 90-Day Supply.** The largest allowable quantity of a Prescription Medication purchased from a Mail-Order Supplier is a 90-day supply. A Provider may choose to prescribe or You may choose to purchase, some medications in smaller quantities.
- **Pharmacy and 30-Day Supply.** Except as specifically provided below, a 30-day supply is the largest allowable quantity of a Prescription Medication that You may purchase from a Pharmacy and for which a single claim may be submitted. A Provider may choose to prescribe or You may choose to purchase, some medications in smaller quantities.
- **Pharmacy and 90-Day Supply.** The largest allowable quantity of a covered Prescription Medication that is packaged exclusively in a multiple-month supply and is purchased from a Pharmacy is the smallest multiple-month supply packaged by the manufacturer for dispensing by Pharmacies. The availability of that supply at a given Pharmacy or time is not a factor in identifying the smallest multiple-month supply. The maximum supply covered for these products is a 90-day supply (even if the packaging includes a larger supply). The Copayment and/or Coinsurance is based on each 30-day supply within that multiple-month supply.

Maximum Quantity Limit

For certain Prescription Medications, the Claims Administrator establishes maximum quantities other than those described previously. This means that, for those medications, there is a limit on the amount of medication that will be covered during a period of time. The Claims Administrator uses information from the United States Food and Drug Administration (FDA) and from scientific publications to establish these maximum quantities. When You take a Prescription Order to a Participating Pharmacy or request a Prescription Medication refill and use Your Plan identification card, the Pharmacy will let You know if a quantity limitation applies to the medication. You may also find out if a limit applies by contacting Customer Service at 1 (800) 962-0301. The Plan does not cover any amount over the established maximum quantity, except if it is determined the amount is Medically Necessary. The prescribing Provider must provide medical information in order to establish whether the amount in excess of the established maximum quantity is Medically Necessary.

Refills

The Plan will cover refills from a Pharmacy when You have taken 75 percent of the previous prescription. Refills obtained from a Mail-Order Supplier are allowed after You have taken all but 20 days of the previous Prescription Order. If You choose to refill Your Prescription Medications sooner, You will be responsible for the full costs of these Prescription Medications and these costs will not count toward any applicable Deductible or Out-of-Pocket Maximum. If You feel You need a refill sooner than allowed, a refill exception will be considered at the Claims Administrator's discretion on a case-by-case basis. You may request an exception by calling Customer Service at 1 (800) 962-0301.

Prescription Medications Dispensed by Excluded Pharmacies

A Pharmacy may be excluded if it has been investigated by the Office of the Inspector General (OIG) and appears on the OIG's exclusion list. If You are receiving medications from a Pharmacy that is later determined by the OIG to be an excluded Pharmacy, You will be notified, after Your claim has been processed, that the Pharmacy has been excluded, so that You may obtain future Prescription Medications from a non-excluded Pharmacy. Excluded Pharmacies are not permitted to submit claims after the excluded Pharmacies have been added to the OIG list.

EXCLUSIONS

In addition to the exclusions in the General Exclusions Section, the following exclusions apply to this Prescription Medication Benefits Section:

Biological Sera, Blood or Blood Plasma

Cosmetic Purposes

Prescription Medications used for cosmetic purposes, including, but not limited to: removal, inhibition or stimulation of hair growth; retardation of aging; or repair of sun-damaged skin.

Foreign Prescription Medications

The Plan does not cover foreign Prescription Medications for non-Emergency Medical Conditions while traveling outside the United States.

Non-Self-Administrable Medications

Nonprescription Medications

Medications that by law do not require a Prescription Order and which are not included in the definition of Prescription Medications, shown below, unless included on the Formulary.

Prescription Medications for Treatment of Infertility

Prescription Medications Not Dispensed by a Pharmacy Pursuant to a Prescription Order

Prescription Medications Not within a Provider's License

Prescription Medications prescribed by Providers who are not licensed to prescribe medications (or that particular medication) or who have a restricted professional practice license.

Prescription Medications without Examination

The Plan does not cover prescriptions made by a Provider without recent and relevant in-person (or Telemedicine) examination of the patient, whether the Prescription Order is provided by mail, telephone, internet or some other means. For the purpose of this exclusion, an examination is "recent" if it occurred within 12 months of the date of the Prescription Order and is "relevant" if it involved the diagnosis, treatment or evaluation of the same or a related condition for which the Prescription Medication is being prescribed.

Professional Charges for Administration of Any Medication

DEFINITIONS

In addition to the definitions in the Definitions Section, the following definitions apply to this Prescription Medication Benefits Section:

Brand-Name Medication means a Prescription Medication that is marketed and sold by limited sources or is listed in widely accepted references (or as specified by the Claims Administrator) as a Brand-Name Medication based on manufacturer and price.

Compound Medication means two or more medications that are mixed together by the Pharmacist. To be covered, Compound Medications must contain a Prescription Medication that has been approved by the FDA.

Covered Prescription Medication Expense means the total payment a Participating Pharmacy or Mail-Order Supplier has contractually agreed to accept as full payment for a Prescription Medication. A Participating Pharmacy or Mail-Order Supplier may not charge You more than the Covered Prescription Medication Expense for a Prescription Medication.

Formulary means the Claims Administrator's list of selected Prescription Medications. The Claims Administrator established and routinely reviews and updates the Formulary. It is available on the Claims Administrator's Web site at **www.Regence.com**, or by calling the Claims Administrator's Customer Service at 1 (800) 962-0301. Medications are reviewed and selected for inclusion in the Formulary by an outside committee of providers, including Physicians and Pharmacists.

Generic Medication means a Prescription Medication that is equivalent to a Brand-Name Medication and is listed in widely accepted references (or specified by the Claims Administrator) as a Generic Medication. For the purpose of this definition, "equivalent" means the FDA ensures that the Generic Medication has the same active ingredients, meets the same manufacturing and testing standards, and is as safe and as effective as the Brand-Name Medication. If listings in widely accepted references are conflicting or indefinite about whether a Prescription Medication is a generic or Brand-Name Medication, the Claims Administrator will accept the Abbreviated New Drug Application (ANDA) submission to decide.

Mail-Order Supplier means a mail-order Pharmacy with which the Claims Administrator has contracted for mail-order services.

Pharmacist means an individual licensed to dispense Prescription Medications, counsel a patient about how the medication works and its possible adverse effects and perform other duties as described in his or her state's Pharmacy practice act.

Pharmacy means any duly licensed outlet in which Prescription Medications are dispensed. A Participating Pharmacy means either a Pharmacy with which the Claims Administrator has a contract or a Pharmacy that participates in a network for which the Claims Administrator has contracted to have access. Participating Pharmacies have the capability of submitting claims electronically. A Nonparticipating Pharmacy means a Pharmacy with which the Claims Administrator neither has a contract nor has contracted access to any network it belongs to. Nonparticipating Pharmacies may not be able to or choose not to submit claims electronically.

Prescription Medications (also Prescribed Medications) means medications and biologicals that relate directly to the treatment of an Illness or Injury, legally cannot be dispensed without a Prescription Order

and by law must bear the legend: "Prescription Only," or as specifically included on the Claims Administrator's Formulary.

Prescription Order means a written prescription or oral request for Prescription Medications issued by a Provider who is licensed to prescribe medications.

Self-Administrable Prescription Medications (also Self-Administrable Medications, or Self-Administrable Injectable Medication, or Self-Administrable Cancer Chemotherapy Medication) means, a Prescription Medication (including, for Self-Administrable Cancer Chemotherapy Medication, oral Prescription Medication used to kill or slow the growth of cancerous cells), determined by the Claims Administrator, which can be safely administered by You or Your caregiver outside a medically supervised setting (such as a Hospital, Physician office or clinic) and that does not require administration by a Provider. In determining what are considered Self-Administrable Medications, the Claims Administrator refers to information from the manufacturer, scientific literature, practice standards, Medicare practices, Medical Necessity and other information that is considered a relevant and reliable indication of safety and acceptability. Your status, such as Your ability to administer the medication, will not be considered when determining whether a medication is self-administrable.

Care Management and Wellness Programs

Because of Regence's involvement as the Claims Administrator, You have access to the following Group-sponsored care management and wellness programs. Your employer has chosen to provide these benefits to You. To the extent any part of these programs (e.g., medications for smoking cessation) is also a benefit under the Medical Benefits or other benefit of the Plan, the Medical Benefits or other benefit applies first and until that benefit is exhausted.

ALTERNATIVE BENEFITS

- can be provided at equal or lesser cost;
- is the most appropriate and cost-effective setting; and
- is substituted with the consent of the Claimant and upon the recommendation of the Claimant's attending Physician or licensed health care provider that such care will adequately meet the Claimant's needs.

The decision to substitute less expensive or less intensive services will be made based on the medical needs of the Claimant. The Claims Administrator may require a written treatment plan that has been approved by the Claimant's attending Physician or licensed health care provider. This section explains a variety of matters related to administering benefits and/or claims, including situations that may arise when Your health care expenses are the responsibility of a source other than the Plan.

PREAUTHORIZATION

Preauthorization refers to the process by which the Claims Administrator determines that a proposed service or supply is Medically Necessary and provide approval for it before it is rendered.

Preauthorization is performed to ensure that the services You receive are aligned with evidence based criteria and to determine whether the requested service meets the Claim Administrator's Medical Necessity criteria. Preauthorization also ensures that services or supplies You receive are safe, effective, and appropriate, with the goal of helping You obtain the most out of Your health plan benefits and receiving the right care, at the right time, and in the right place.

Contracted Providers may be required to obtain preauthorization from the Claims Administrator in advance for certain services provided to You. Non-contracted Providers are not required to obtain preauthorization from the Claims Administrator in advance for services. You, however, may be liable for costs if You elect to seek services and those services are not considered Medically Necessary and/or not covered under this Plan. You may request that a non-contracted Provider preauthorize services on Your behalf to determine Medical Necessity prior to the services being rendered.

A comprehensive list of services and supplies that must be preauthorized may be obtained from the Claims Administrator by visiting the Claims Administrator's Web site at:

https://www.regence.com/web/regence_provider/pre-authorization or by calling 1 (800) 962-0301.

Preauthorization requests should be faxed by Your Provider to the Claims Administrator at 1 (877) 663-7526.

Timeframe for Response

You will be notified in writing within 15 calendar days of the Claims Administrator's receipt of the preauthorization request whether the request has been approved, denied, or if more information is needed to make a determination.

When More Information is Needed to Make a Determination

Additional information requested by the Claims Administrator must be received within 45 calendar days of the date on the letter requesting information. The Claims Administrator will notify You in writing of the determination within 15 calendar days of receipt of additional information or within 15 calendar days of the end of the 45 day period if no additional information is received.

If You or Your Physician believes that waiting for a determination under the standard time frame could place Your life, health, or ability to regain maximum function in serious jeopardy, Your Physician should notify the Claims Administrator by phone or fax as a shorter time frame for response may apply.

Preauthorization does not guarantee payment. The Claim Administrator's reimbursement policies may affect how claims are reimbursed, and payment of benefits is subject to all Plan provisions, including eligibility for benefits at the time of services.

PLAN IDENTIFICATION CARD

When Participants enroll in the Plan, they will receive Plan identification cards. The identification card will include important information such as the Participant's identification number, group number and name.

It is important to keep Your Plan identification card with You at all times. Be sure to present it to Your Provider before receiving care.

If You lose Your card, or if it gets destroyed, You can get a new one by simply calling the Claims Administrator's Customer Service department at: 1 (800) 962-0301. You can also view or print an image of Your Plan identification card by visiting the Claims Administrator's Web site at **www.Regence.com** on

Your PC or mobile device. If the Agreement terminates, Your Plan identification card will no longer be valid.

SUBMISSION OF CLAIMS AND REIMBURSEMENT

The Claims Administrator's decision to pay the Claimant, Provider or Provider and Claimant jointly is made pursuant to any legal requirements. Payments are primarily issued as joint payee checks to both the Claimant and the Provider for Category 3 Provider claims. The exceptions would be if a Claimant submits sufficient documentation that they have "paid-in-full." In those circumstances, the Claims Administrator may issue payment to the Claimant only.

You will be responsible for the total billed charges for benefits in excess of Maximum Benefits, if any, and for charges for any other service or supply not covered under this Plan, regardless of the Provider rendering such service or supply.

Claims for the purchase of durable medical equipment will be submitted to this Plan or any other Blue Cross and/or Blue Shield Licensee in the locale in which the equipment was received. Durable medical equipment is received where it is purchased at retail or, if shipped, where the durable medical equipment is shipped to. Please refer to the plan network where supplies were received for coverage of shipped durable medical equipment.

Claims for independent clinical laboratory services will be submitted to this Plan or any other Blue Cross and/or Blue Shield Licensee in the locale in which the specimen was drawn or otherwise acquired, regardless of where the examination of the specimen occurred. Please refer to the plan network where the specimen was drawn for coverage of independent clinical laboratory services.

Calendar Year and Plan Year

The Deductible and Out-of-Pocket Maximum provisions are calculated on a Calendar Year basis. The Agreement is renewed, with or without changes, each Plan Year. A Plan Year is the 12-month period following either the Agreement's original effective date or subsequent renewal date. A Plan Year may or may not be the same as a Calendar Year. When the Agreement is renewed on other than January 1 of any year, any Deductible or Out-of-Pocket Maximum amounts You satisfied before the date the Agreement renews will be carried over into the next Plan Year. If the Deductible and/or Out-of-Pocket Maximum amount increases during the Calendar Year, You will need to meet the new requirement minus any amount You already satisfied under the previous Agreement during that same Calendar Year.

Timely Filing of Claims

Written proof of loss must be received within 15 months after the date of service for which a claim is made. If it can be shown that it was not reasonably possible to furnish such proof and that such proof was furnished as soon as reasonably possible, failure to furnish proof within the time required will not invalidate or reduce any claim. A claim that is not filed in a timely manner will be denied unless You can reasonably demonstrate that the claim could not have been filed in a timely manner. You may, however, appeal the denial in accordance with the Appeal process to demonstrate that the claim could not have been filed in a timely manner.

Freedom of Choice of Provider

Nothing contained in the Booklet is designed to restrict You in selecting the Provider of Your choice for care or treatment of an Illness or Injury.

Category 1 and Category 2 Claims

You must present Your Plan identification card when obtaining Covered Services from a preferred or participating Provider. You must also furnish any additional information requested. The Provider will furnish the Claims Administrator with the forms and information needed to process Your claim.

Category 1 and Category 2 Reimbursement

A preferred or participating Provider will be paid directly for Covered Services. These Providers have agreed to accept the Allowed Amount as full compensation for Covered Services. Your share of the Allowed Amount is any amount You must pay due to Deductible, Copayment and/or Coinsurance. These Providers may require You to pay Your share at the time You receive care or treatment.

Category 3 Claims

In order for Covered Services to be paid, You or the nonparticipating Provider must first send the Claims Administrator a claim. Be sure the claim is complete and includes the following information:

- an itemized description of the services given and the charges for them;
- the date treatment was given;
- the diagnosis; and
- the patient's name and the group and identification numbers.

If the treatment is for an Injury, include a statement explaining the date, time, place and circumstances of the Injury when You send the claim.

Category 3 Reimbursement

In most cases, You will be paid directly for Covered Services provided by a nonparticipating Provider.

Nonparticipating Providers have not agreed to accept the Allowed Amount as full compensation for Covered Services. So, You are responsible for paying any difference between the amount billed by the nonparticipating Provider and the Allowed Amount in addition to any amount You must pay due to Deductible, Copayment and/or Coinsurance. For nonparticipating Providers, the Allowed Amount may be based upon the billed charges for some services, as determined by the Claims Administrator or as otherwise required by law.

Ambulance Claims

When You or Your Provider forwards a claim for ambulance services to the Claims Administrator, it must show where the patient was picked up and where he or she was taken. It should also show the date of service, the patient's name and the patient's group and identification numbers.

Claims Determinations

Within 30 days of the Claims Administrator's receipt of a claim, You will be notified of the action taken on it. However, this 30-day period may be extended by an additional 15 days in the following situations:

- When action cannot be taken on the claim due to circumstances beyond the Claims Administrator's control, they will notify You within the initial 30-day period that an extension is necessary. This notification includes an explanation of why the extension is necessary and when the Claims Administrator expects to act on the claim.
- When action cannot be taken on the claim due to lack of information, the Claims Administrator will notify You within the initial 30-day period that the extension is necessary. This notification includes a specific description of the additional information needed and an explanation of why it is needed.

If the Claims Administrator seeks additional information from You, You will be allowed at least 45 days to provide the additional information. If the Claims Administrator does not receive the requested information to process the claim within the time allowed, the claim will be denied.

OUT-OF-AREA SERVICES

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs." Whenever You obtain health care services outside of the Claims Administrator's service area the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between the Claims Administrator and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care outside the Claims Administrator's service area, You will obtain care from health care Providers that have a contractual agreement (i.e., are "participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, You may obtain care from nonparticipating Providers. The Claims Administrator's payment practices in both instances are described below.

BlueCard Program

Under the BlueCard Program, when You access Covered Services within the geographic area served by a Host Blue, the Claims Administrator will remain responsible for fulfilling contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

Whenever You access Covered Services outside the Claims Administrator's service area and the claim is processed through the BlueCard Program, the amount You pay for Covered Services is calculated based on the lower of:

- The billed covered charges for Your Covered Services; or
- The negotiated price that the Host Blue makes available to the Claims Administrator.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to Your health care Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your health care Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of health care Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price the Claims Administrator uses for Your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to Your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, the Claims Administrator would then calculate Your liability for any Covered Services according to applicable law.

Negotiated National Account Arrangements

As an alternative to the BlueCard Program, Your claims for Covered Services may be processed through a negotiated National Account arrangement with a Host Blue.

The amount You pay for Covered Services under this arrangement will be calculated based on the lower of either billed covered charges or negotiated price (refer to the description of negotiated price above) made available to the Claims Administrator by the Host Blue.

Nonparticipating Providers Outside the Claims Administrator's Service Area

- **Member Liability Calculation.** When Covered Services are provided outside of the Claims Administrator's service area by nonparticipating Providers, the amount You pay for such services will generally be based on either the Host Blue's nonparticipating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be liable for the difference between the amount that the nonparticipating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.
- **Exceptions.** In certain situations, the Claims Administrator may use other payment bases, such as billed covered charges, the payment the Claims Administrator would make if the health care services had been obtained within the Claims Administrator's service area, or a special negotiated payment, as permitted under Inter-Plan Programs Policies, to determine the amount the Claims Administrator will pay for services rendered by nonparticipating Providers. In these situations, You may be liable for the difference between the amount that the nonparticipating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

BLUECARD WORLDWIDE®

BlueCard Worldwide coverage is also accessible to You. With BlueCard Worldwide, You have access to inpatient and outpatient Hospital care and Physician services when You're traveling or living outside the United States as well as medical assistance and claims support services.

When You need health care outside of the United States or its territories, follow these simple steps:

- Always carry Your current Plan identification card.
- If You need emergency medical care outside the United States, go to the nearest Hospital.
- If You are admitted, call the BlueCard Worldwide Service Center at 1 (800) 810-BLUE (2583) or call collect at 1 (804) 673-1177.
- For non-emergency medical care, call the BlueCard Worldwide Service Center. The Service Center will facilitate hospitalization if necessary at a BlueCard Worldwide Hospital or make an appointment with a Physician. BlueCard Worldwide Service Center staff are available to assist You 24 hours a day, 7 days a week.
- You will only be responsible for out-of-pocket expenses such as any applicable Deductible, Copayment, Coinsurance and non-covered services for Your inpatient care. For outpatient, Hospital care or Physician services, You will be responsible for paying the Hospital or Physician at the time of service and then must complete an international claim form and send it to the BlueCard Worldwide Service Center for reimbursement of Covered Services.

You can obtain an international claim form and find additional information about the BlueCard Worldwide program at www.bcbs.com.

NONASSIGNMENT

Only You are entitled to benefits under the Plan. These benefits are not assignable or transferable to anyone else and You (or a custodial parent or the state Medicaid agency, if applicable) may not delegate, in full or in part, benefits or payments to any person, corporation or entity. Any attempted assignment, transfer or delegation of benefits will be considered null and void and will not be binding on the Plan. You may not assign, transfer or delegate any right of representation or collection other than to legal counsel directly authorized by You on a case-by-case basis.

CLAIMS RECOVERY

If a benefit to which You were not entitled is paid under the Plan, or if a person who is not eligible for benefits at all is paid under the Plan, the Plan has the right to recover the payment from the person paid or anyone else who benefited from it, including a Provider of services. The Plan's right to recovery includes the right to deduct the mistakenly paid amount from future benefits that would have been provided the Participant or any of his or her Enrolled Dependents, even if the mistaken payment was not made on that person's behalf.

The Claims Administrator regularly works to identify and recover claims payments that should not have been made (for example, claims that are the responsibility of another, duplicates, errors, fraudulent claims, etc.). All recovered amounts will be credited to the Plan.

This claims recovery provision in no way reduces the Plan's right to reimbursement or subrogation. Refer to the other-party liability provision in the Claims Administration Section for additional information.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION AND MEDICAL RECORDS

It is important to understand that Your personal health information may be requested or disclosed by the Claims Administrator. This information will be used in accordance with the Claims Administrator's Notice of Privacy Practices. You can request a copy simply by calling the Claims Administrator's Customer Service department at 1 (800) 962-0301 or by visiting their Web site at www.Regence.com.

The information requested or disclosed may be related to treatment or services received from:

- an insurance carrier or group health plan;
- any other institution providing care, treatment, consultation, pharmaceuticals or supplies;
- a clinic, Hospital, long-term care or other medical facility; or
- a Physician, dentist, Pharmacist or other physical or behavioral health care Practitioner.

Health information requested or disclosed by the Claims Administrator may include, but is not limited to:

- billing statements;
- claim records;
- correspondence;
- dental records;
- diagnostic imaging reports;
- Hospital records (including nursing records and progress notes);
- laboratory reports; and
- medical records.

The Claims Administrator is required by law to protect Your personal health information, and must obtain prior written authorization from You to release information not related to routine health insurance operations. A Notice of Privacy Practices is available by calling the Claims Administrator's Customer Service department or visiting their Web site **www.Regence.com**.

You have the right to request, inspect and amend any records that the Claims Administrator has that contain Your personal health information. Please contact the Claims Administrator's Customer Service department to make this request.

NOTE: This provision does not apply to information regarding HIV/AIDS, psychotherapy notes, alcohol/drug services and genetic testing. A specific authorization will be obtained from You in order for the Claims Administrator to receive information related to these health conditions.

LIMITATIONS ON LIABILITY

In all cases, You have the exclusive right to choose a health care Provider. Since neither the Plan nor the Claims Administrator provides any health care services, neither can be held liable for any claim or damages connected with Injuries You suffer while receiving health services or supplies provided by professionals who are neither employees nor agents of the Plan and the Claims Administrator. Neither the Claims Administrator nor the Plan is responsible for the quality of health care You receive, except as provided by law.

In addition, the Claims Administrator will not be liable to any person or entity for the inability or failure to procure or provide the benefits of the Plan by reason of epidemic, disaster or other cause or condition beyond the Claims Administrator's control.

RIGHT OF REIMBURSEMENT AND SUBROGATION RECOVERY

Coverage under the Plan will not be provided for any medical (or dental and vision, if applicable) or Prescription Medication expenses You incur for treatment of an Injury or Illness if the costs associated with the Injury or Illness may be recoverable from any of the following:

- a third party;
- workers' compensation; or
- any other source, including automobile medical, personal injury protection ("PIP"), automobile no-fault, homeowner's coverage, commercial premises medical coverage or similar contract or insurance, when the contract or insurance is either issued to, or makes benefits available to You, whether or not You make a claim under such coverage.

Advancement of Benefits

If You have a potential right of recovery for Illnesses or Injuries from a third party who may have legal responsibility or from any other source, benefits may be advanced pending the resolution of a claim to the right of recovery if all the following conditions apply:

- By accepting or claiming benefits, You agree that the Plan is entitled to reimbursement of the full amount of benefits paid out of any settlement or recovery from any source. This includes any judgment, settlement, disputed claim settlement, uninsured motorist payment or any other recovery related to the Injury or Illness for which benefits under the Plan have been provided.

- In addition to the Plan's right of reimbursement, the Claims Administrator may choose instead to achieve the Plan's rights through subrogation. The Claims Administrator is authorized, but not obligated, to recover any benefits paid under the Plan directly from any party liable to You, upon mailing of a written notice to the potential payer, to You or to Your representative.
- The Plan's rights apply without regard to the source of payment for medical expenses, whether from the proceeds of any settlement, arbitration award or judgment or other characterization of the recovery by the Claimant and/or any third party or the recovery source. The Plan is entitled to reimbursement from the first dollars received from any recovery. This applies regardless of whether:
 - the third party or third party's insurer admits liability;
 - the health care expenses are itemized or expressly excluded in the recovery; or
 - the recovery includes any amount (in whole or in part) for services, supplies or accommodations covered under the Plan.
- Reimbursement or subrogation under the Plan will not be reduced due to Your not being made whole.
- You may be required to sign and deliver all legal papers and take any other actions requested to secure the Plan's rights (including an assignment of rights to pursue Your claim if You fail to pursue Your claim of recovery from the third party or other source). If You are asked to sign a trust agreement or other document to reimburse the Plan from the proceeds of any recovery, You will be required to do so as a condition to advancement of any benefits.
- You must agree that nothing will be done to prejudice the Plan's rights and that You will cooperate fully with the Claims Administrator, including signing any documents within the required time and providing prompt notice of any settlement or other recovery. You must notify the Claims Administrator of any facts that may impact the right to reimbursement or subrogation, including, but not necessarily limited to, the following:
 - the filing of a lawsuit;
 - the making of a claim against any third party;
 - scheduling of settlement negotiations (including, but not necessarily limited to, a minimum of 21 days advance notice of the date, time, location and participants to be involved in any settlement conferences or mediations); or
 - intent of a third party to make payment of any kind to Your benefit or on Your behalf and that in any manner relates to the Injury or Illness that gives rise to the Plan's right of reimbursement or subrogation (notification is required a minimum of five business days before the settlement).
- You and/or Your agent or attorney must agree to keep segregated in its own account any recovery or payment of any kind to Your benefit or on Your behalf that in any manner relates to the Injury or Illness giving rise to the Plan's right of reimbursement or subrogation, until the Plan's right is satisfied or released.
- In the event You and/or Your agent or attorney fails to comply with any of these conditions, any such benefits advanced for any Illness or Injury may be recovered through legal action.
- Any benefits provided or advanced under the Plan are provided solely to assist You. By paying such benefits, neither the Plan nor the Claims Administrator is acting as a volunteer and is not waiving any right to reimbursement or subrogation.

Motor Vehicle Coverage

If You are involved in a motor vehicle accident, You may have rights both under motor vehicle insurance coverage and against a third party who may be responsible for the accident. In that case, this right of reimbursement and subrogation provision still applies.

Workers' Compensation

Here are some rules which apply in situations where a workers' compensation claim has been filed:

- You must notify the Claims Administrator in writing within five days of any of the following:
 - filing a claim;

- having the claim accepted or rejected;
 - appealing any decision;
 - settling or otherwise resolving the claim; or
 - any other change in status of Your claim.
- If the entity providing workers' compensation coverage denies Your claim and You have filed an appeal, benefits may be advanced for Covered Services if You agree to hold any recovery obtained in a segregated account for the Plan.

Fees and Expenses

Neither the Plan nor the Claims Administrator is liable for any expenses or fees incurred by You in connection with obtaining a recovery. However, You may request that a proportional share of attorney's fees and costs be paid at the time of any settlement or recovery to otherwise reduce the required reimbursement amount to less than the full amount of benefits paid under the Plan. The Claims Administrator has discretion whether to grant such requests.

Future Medical Expenses

Benefits for otherwise Covered Services may be excluded when You have received a recovery from another source relating to an Illness or Injury for which We would normally provide benefits. However, the amount of any Covered Services excluded under this provision will not exceed the amount of Your recovery.

COORDINATION OF BENEFITS

The Coordination of Benefits (COB) provision applies when You have health care coverage under more than one plan (This Plan and an Other Plan). These plans are defined below.

The order of benefit determination rules govern the order which each plan will pay a claim for benefits. The plan that pays first is called the Primary Plan. The Primary Plan must pay benefits according to its policy terms without regard to the possibility that an Other Plan may cover some expenses. The plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all plans do not exceed 100 percent of the total Allowable Expense.

Definitions

For the purpose of this Section, the following definitions shall apply:

An Other Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate plan.

- Other Plan includes: group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), Closed Panel Plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.
- Other Plan does not include: hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for nonmedical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under the above bullet points is a separate plan. If a plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate plan.

This Plan means the part of the Booklet providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of Other Plans. Any other part of the Booklet

providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

The order of benefit determination rules determine whether This Plan is a "Primary Plan" or "Secondary Plan" when You have health care coverage under more than one plan.

When This Plan is primary, it determines payment for its benefits first before those of any Other Plan without considering any Other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all plans for the claim equal 100 percent of the total Allowable Expense for that claim. This means that when This Plan is secondary, it must pay the amount that which, when combined with what the Primary Plan paid, totals not less than the same Allowable Expense that this Plan would have paid if it were the Primary Plan. When the Primary Plan is Medicare and This Plan is secondary, it must pay the amount that which, when combined with what the Primary Plan paid, totals not less than the Medicare Allowable Expense. In addition, if This Plan is secondary, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the Primary Plan) and record these savings as a benefit reserve for You. This reserve must be used to pay any expenses during that Calendar Year, whether or not they are an Allowable Expense under This Plan. If This Plan is secondary, it will not be required to pay an amount in excess of its Maximum Benefit plus any accrued savings.

Allowable Expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any plan covering You. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering You is not an Allowable Expense.

When Medicare, Part A, Part B, Part C, or Part D is primary, Medicare's allowable amount is the Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable Expense, unless one of the plans provides coverage for private hospital room expenses.
- If You are covered by two or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
- If You are covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.

Closed Panel Plan is a plan that provides health care benefits to You in the form of services through a panel of providers who are primarily employed by the plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the Calendar Year excluding any temporary visitation.

Order of Benefit Determination Rules

When You are covered by two or more plans, the rules for determining the order of benefit payments are as follows. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any Other Plan. A plan that does not contain a coordination of benefits provision that is consistent with chapter 284-51 of the Washington Administrative Code is always primary unless the provisions of both plans state that the complying plan is primary, except coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the plan provided by the contract holder. Examples include major medical coverages that are superimposed over hospital

and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits. A plan may consider the benefits paid or provided by an Other Plan in calculating payment of its benefits only when it is secondary to that Other Plan.

Each plan determines its order of benefits using the first of the following rules that apply:

Non-Dependent or Dependent. The plan that covers You other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the plan that covers You as a dependent is the Secondary Plan. However, if You are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering You as a dependent, and primary to the plan covering You as other than a dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed so that the plan covering You as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the Other Plan is the Primary Plan.

Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a child is covered by more than one plan the order of benefits is determined as follows:

- For a child whose parents are married or are living together, whether or not they have ever been married:
 - The plan of the parent whose birthday falls earlier in the Calendar Year is the Primary Plan; or
 - If both parents have the same birthday, the plan that has covered the parent the longest is the Primary Plan.
- For a child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - If a court decree states that one of the parents is responsible for the child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods commencing after the plan is given notice of the court decree;
 - If a court decree states one parent is to assume primary financial responsibility for the child but does not mention responsibility for health care expenses, the plan of the parent assuming financial responsibility is primary;
 - If a court decree states that both parents are responsible for the child's health care expenses or health care coverage, the provisions of the first bullet point above (for child(ren) whose parents are married or are living together) determine the order of benefits;
 - If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the child, the provisions of the first bullet point above (for child(ren) whose parents are married or are living together) determine the order of benefits; or
 - If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:

The plan covering the Custodial Parent, first;

The plan covering the spouse of the Custodial Parent, second;

The plan covering the noncustodial parent, third; and then

The plan covering the spouse of the noncustodial parent, last.

- For a child covered under more than one plan of individuals who are not the parents of the child, the provisions of the first or second bullet points above (for child(ren) whose parents are married or are living together or for child(ren) whose parents are divorced or separated or not living together) determine the order of benefits as if those individuals were the parents of the child.

Active Employee or Retired or Laid-off Employee. The plan that covers You as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The plan covering You as a retired or laid-off employee is the Secondary Plan. The same would hold true if You are a dependent of

an active employee and You are a dependent of a retired or laid-off employee. If the Other Plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.

COBRA or State Continuation Coverage. If Your coverage is provided under COBRA or under a right of continuation provided by state or other federal law, the plan covering You as an employee, member, subscriber or retiree or covering You as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the Other Plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.

Longer or Shorter Length of Coverage. The plan that covered You as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the plan that covered You the shorter period of time is the Secondary Plan.

If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the plans meeting the definition of This Plan or Other Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of this Plan

When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a claim determination period are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all plans for the claim cannot be less than the same Allowable Expense as the Secondary Plan would have paid if it was the Primary Plan. Total Allowable Expense is the highest Allowable Expense of the Primary Plan or the Secondary Plan. In addition, the Secondary Plan must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and Other Plans. The Claims Administrator may get the needed facts from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and Other Plans covering You. The Claims Administrator need not tell, or get the consent of, any person to do this. You, to claim benefits under This Plan, must give the Claims Administrator any facts they need to apply those rules and determine benefits payable.

Facility of Payment

If payments that should have been made under This Plan are made by an Other Plan, the amount determined to be appropriate to satisfy the intent of this provision may be remitted to the Other Plan. The amounts paid to the Other Plan are considered benefits paid under This Plan. To the extent of such payments, this Plan is fully discharged from liability.

Right of Recovery

This Plan has the right to recover excess payment whenever it has paid Allowable Expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. This Plan may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

If You are covered by more than one health benefit plan, and You do not know which is Your Primary Plan, You or Your Provider should contact any one of the health plans to verify which plan is primary. The health plan You contact is responsible for working with the other plan to determine which is primary and will let You know within thirty calendar days.

CAUTION: All health plans have timely claim filing requirements. If You or Your Provider fail to submit Your claim to a secondary health plan within that plan's claim filing time limit, the plan can deny the claim.

If You experience delays in the processing of Your claim by the primary health plan, You or Your Provider will need to submit Your claim to the secondary health plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claim processing, if You are covered by more than one plan You should promptly report to Your Providers and plans any changes in Your coverage.

Appeal Process

If You or Your Representative (any Representative authorized by You) has a concern regarding a claim denial or other action under the Plan and wishes to have it reviewed, You may Appeal. There are two levels of Appeal, as well as additional voluntary Appeal levels You may pursue. Certain matters requiring quicker consideration qualify for a level of Expedited Appeal and are described separately later in this section.

APPEALS

Appeals can be initiated through either written or verbal request. A written request can be made by sending it to the Claims Administrator at: Attn: Appeals, Regence BlueShield, P.O. Box 2998, Tacoma, WA 98401-2998 or facsimile 1 (877) 663-7526. Verbal requests can be made by calling the Claims Administrator at 1 (800) 962-0301.

Each level of Appeal, except voluntary external review, must be pursued within 180 days of Your receipt of the Claims Administrator's determination (or, in the case of the first level, within 180 days of Your receipt of the Claims Administrator's original adverse decision that You are appealing). If You don't Appeal within this time period, You will not be able to continue to pursue the Appeal process and may jeopardize Your ability to pursue the matter in any forum.

If Your health could be jeopardized by waiting for a decision under the regular Appeal process, an expedited Appeal may be requested. Please see Expedited Appeals later in this section for more information.

First-Level Appeals

First-level Appeals are reviewed by a Claims Administrator employee or employees who were not involved in the initial decision that You are appealing. In Appeals that involve issues requiring medical judgment, the decision is made by the Claims Administrator's staff of health care professionals. For Post-Service Appeals, a written notice of the decision will be sent within 30 days of receipt of the Appeal. For Appeals involving a Pre-Service preauthorization of a procedure, the Claims Administrator will send a written notice of the decision within 14 days of receipt of the Appeal.

Panel-Level (Second-Level) Appeals

Second-level Appeals are reviewed by a panel of Claims Administrator employees who were not involved in, or subordinate to anyone involved in, the first-level decision. You, or Your Representative on Your behalf, will be given a reasonable opportunity to provide written materials. For Post-Service Appeals, a written notice of the decision will be sent within 30 days of receipt of the Appeal. For Appeals involving a Pre-Service preauthorization of a procedure, the Claims Administrator will send a written notice of the decision within 14 days of receipt of the Appeal.

VOLUNTARY EXTERNAL APPEAL – IRO

A voluntary Appeal to an Independent Review Organization (IRO) is available for issues involving medical judgment (including, but not limited to, those based on the Plan's requirements for Medical Necessity, appropriateness, health care setting, level of care, or effectiveness of a Covered Service; or the determination that a treatment is Investigational), but only after You have exhausted all of the applicable non-voluntary levels of Appeal, or if the Claims Administrator has failed to adhere to all claims and internal Appeal requirements. Voluntary External Appeals must be requested within four months of Your receipt of the notice of the prior adverse decision.

The Claims Administrator coordinates voluntary external Appeals, but the decision is made by an IRO at no cost to You. The Claims Administrator will provide the IRO with the Appeal documentation. The IRO will make its decision and provide You with its written determination within 45 days after their receipt of the request. Choosing the voluntary external Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision and this section, except to the extent other remedies are available under State or Federal law.

The voluntary external Appeal by an IRO is optional and You should know that other forums may be utilized as the final level of Appeal to resolve a dispute You have under the Plan. This includes but is not limited to civil action under Section 502(a) of ERISA, where applicable.

EXPEDITED APPEALS

An expedited Appeal is available if one of the following applies:

- the application of regular Appeal timeframes on a Pre-Service or concurrent care claim could jeopardize Your life, health or ability to regain maximum function; or
- according to a Physician with knowledge of Your medical condition, would subject You to severe pain that cannot be adequately managed without the disputed care or treatment.

Panel-Level (First-Level) Expedited Appeal

The first-level expedited Appeal request should state the need for a decision on an expedited basis and must include documentation necessary for the Appeal decision. First-level expedited Appeals are reviewed by a panel of Claims Administrator's employees who were not involved in, or subordinate to anyone involved in, the initial denial determination. You, or Your Representative on Your behalf, will be given the opportunity (within the constraints of the expedited Appeals timeframe) to provide written materials. A verbal notice of the decision will be provided to You and Your Representative as soon as possible after the decision, but no later than 72 hours of receipt of the Appeal. A written notification of the decision will be mailed to You within three calendar days of the verbal notification.

Voluntary Expedited Appeal – IRO

If You disagree with the decision made in the panel-level Appeal and You or Your Representative reasonably believes that preauthorization remains clinically urgent (Pre-Service or concurrent), You may request a voluntary expedited Appeal to an IRO. The criteria for a voluntary expedited Appeal to an IRO are the same as described above for non-urgent expedited Appeal.

The Claims Administrator coordinates voluntary expedited Appeals, but the decision is made by an IRO at no cost to You. The Claims Administrator will provide the IRO with the Appeal documentation. Verbal notice of the IRO's decision will be provided to You and Your Representative by the IRO as soon as possible after the decision, but no later than within 72 hours of its receipt of Your request, followed by written notification within 48 hours of the verbal notification. Choosing the voluntary expedited Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision and this section.

The voluntary expedited Appeal by an IRO is optional and You should know that other forums may be used as the final level of expedited Appeal to resolve a dispute You have under the Plan, including, but not limited to, civil action under Section 502(a) of ERISA, where applicable.

INFORMATION

If You have any questions about the Appeal process outlined here, You may contact the Claims Administrator's Customer Service department at 1 (800) 962-0301 or You can write to the Claims Administrator's Customer Service department at the following address: Regence BlueShield, P.O. Box 2998, Tacoma, WA 98401-2998 or facsimile 1 (877) 663-7526.

DEFINITIONS SPECIFIC TO THE APPEAL PROCESS

Appeal means a written or verbal request from a Claimant or, if authorized by the Claimant, the Claimant's Representative, to change a previous decision made under the Plan concerning:

- access to health care benefits, including an adverse determination made pursuant to utilization management;
- claims payment, handling or reimbursement for health care services;
- matters pertaining to the contractual relationship between a Claimant and the Plan; and
- other matters as specifically required by state law or regulation.

Independent Review Organization (IRO) is an independent Physician review organization which acts as the decision-maker for voluntary external Appeals and voluntary expedited Appeals, through an

independent contractor relationship with the Claims Administrator and/or through assignment to the Claims Administrator via state regulatory requirements. The IRO is unbiased and is not controlled by the Claims Administrator.

Post-Service means any claim for benefits under the Plan that is not considered Pre-Service.

Pre-Service means any claim for benefits under the Plan which must be approved in advance, in whole or in part, in order for a benefit to be paid.

Representative means someone who represents You for the purpose of the Appeal. The Representative may be Your personal Representative or a treating Provider. It may also be another party, such as a family member, as long as You or Your legal guardian authorize in writing, disclosure of personal information for the purposes of the Appeal. No authorization is required from the parent(s) or legal guardian of a Claimant who is an unmarried and dependent child and is less than 13 years old. For expedited Appeals only, a health care professional with knowledge of Your medical condition is recognized as Your Representative. Even if You have previously designated a person as Your Representative for a previous matter, an authorization designating that person as Your Representative in a new matter will be required (but redesignation is not required for each Appeal level). If no authorization exists and is not received in the course of the Appeal, the determination and any personal information will be disclosed to You or Your treating Provider only.

Who Is Eligible, How to Enroll and When Coverage Begins

This section explains how to enroll Yourself and/or Your eligible dependents when first eligible, during a period of special enrollment or during an annual enrollment period. It also describes when coverage under the Plan begins for You and/or Your eligible dependents. Of course, payment of any corresponding monthly costs is required for coverage to begin on the indicated dates.

INITIALLY ELIGIBLE, WHEN COVERAGE BEGINS

You will be entitled to enroll in coverage for Yourself and Your eligible dependents within 30 days of Your first becoming eligible for coverage under the eligibility requirements in effect with the Plan Sponsor and as stated in the following paragraphs. Coverage for You and Your enrolling eligible dependents will begin on the Effective Date.

Except as described under the special enrollment provision, if You and/or Your eligible dependents do not enroll for coverage under the Plan when first eligible or You do not enroll in a timely manner, You and/or Your eligible dependents must wait until the next annual enrollment period to enroll.

Employees

You become eligible to enroll in coverage on the date You have worked for the Plan Sponsor long enough to satisfy any required probationary period.

Dependents

Your Enrolled Dependents are eligible for coverage when You have listed them on the enrollment form or on subsequent change forms and when the Claims Administrator has enrolled them in coverage under the Plan. Dependents are limited to the following:

- The person to whom You are legally married (spouse).
- Your domestic partner for whom You have submitted an accurate and complete affidavit of qualifying domestic partnership.
- Your (or Your spouse's or Your domestic partner's) child who is under age 26 and who meets any of the following criteria:
 - Your (or Your spouse's or Your domestic partner's) natural child, step child, adopted child or child legally placed with You (or Your spouse or Your domestic partner) for adoption;
 - a child for whom You (or Your spouse or Your domestic partner) have court-appointed legal guardianship; and
 - a child for whom You (or Your spouse or Your domestic partner) are required to provide coverage by a legal qualified medical child support order (QMCSO).
- Your (or Your spouse's or Your domestic partner's) otherwise eligible child who is age 26 or over and incapable of self-support because of developmental disability or physical handicap that began before his or her 26th birthday, if You complete and submit Our affidavit of dependent eligibility form, with written evidence of the child's incapacity, within 31 days of the later of the child's 26th birthday or Your Effective Date and either:
 - he or she is an Enrolled Dependent immediately before his or her 26th birthday; or
 - his or her 26th birthday preceded Your Effective Date and he or she has been continuously covered as Your dependent on group coverage since that birthday.

The Claims Administrator's affidavit of dependent eligibility form is available by visiting their Web site at **www.Regence.com**, or by calling their Customer Service department at: 1 (800) 962-0301. The Claims Administrator may request updates on the child's disability or handicap at reasonable times as considered necessary (but this will not be more often than annually following the dependent's 28th birthday).

NEWLY ELIGIBLE DEPENDENTS

You may enroll a dependent who becomes eligible for coverage after Your Effective Date by completing and submitting an enrollment request (and, for a domestic partner, an affidavit of qualifying domestic

partnership) to the Claims Administrator. Application for enrollment of a new child by birth, adoption or Placement for Adoption must be made within 60 days of the date of birth, adoption or Placement for Adoption if payment of additional premium is required to provide coverage for the child. Application for enrollment of all other newly eligible dependents must be made within 30 days of the dependent's attaining eligibility. Coverage for such dependents will begin on their Effective Dates. For a new child by birth, the Effective Date is the date of birth. For a new child adopted or placed for adoption within 60 days of birth, the Effective Date is the date of birth, if any associated additional premium has been paid within 60 days of birth. The Effective Date for any other child by adoption or Placement for Adoption is the date of Placement for Adoption. For other newly eligible dependents, the Effective Date is the first day of the month following receipt of the application for enrollment.

NOTE: The regular benefits of the Plan will be provided for a newborn child for up to 21 days following birth when delivery of the child is covered under the Plan. Such benefits will not be subject to enrollment requirements for a newborn as specified here, or the payment of a separate charge for coverage of the child. Coverage, however, is subject to all provisions, limitations and exclusions of the Plan. No benefits will be provided after the 21st day unless the newborn is enrolled according to the enrollment requirements for a newborn.

SPECIAL ENROLLMENT

There are certain situations when You may enroll Yourself and/or Your eligible dependents, even though You didn't do so when first eligible, and You do not have to wait for an annual enrollment period.

Note that loss of eligibility does not include a loss because You failed to timely pay Your portion of the cost of coverage or when termination of coverage was because of fraud. It also doesn't include Your decision to terminate coverage, though it may include Your decision to take another action (e.g., terminating employment) that results in a loss of eligibility.

If You are already enrolled or if You declined coverage when first eligible and subsequently have one of the following qualifying events, You, (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to enroll for coverage under the Plan within 30 days from the date of the qualifying event (except that where the qualifying event is involuntary loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP), You have 60 days from the date of the qualifying event to enroll):

- You and/or Your eligible dependents lose coverage under another group or individual health benefit plan due to one of the following:
 - an employer's contributions to that other plan are terminated;
 - exhaustion of federal COBRA or any state continuation; or
 - loss of eligibility, for instance, due to legal separation, divorce, termination of domestic partnership, death, termination of employment or reduction in hours.
- You involuntarily lose coverage under Medicare, CHAMPUS/Tricare, Indian Health Service or a publicly sponsored or subsidized health plan (other than the Children's Health Insurance Program (CHIP), see below).
- You lose coverage under Medicaid or the Children's Health Insurance Program (CHIP).

For the above qualifying events, if enrollment is requested as specified, coverage will be effective on the day after the prior coverage ended.

If You are already enrolled or if You declined coverage when first eligible and subsequently have one of the following qualifying events, You, (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to apply for coverage under the Plan within 30 days from the date of the qualifying event (except that, where the qualifying event is You and/or Your Enrolled Dependent becoming eligible for premium assistance under Medicaid or Children's Health Insurance Program (CHIP), or the Washington State Department of Social and Health Services (DSHS) determination that it is cost-effective for an eligible Enrolled Dependent to have coverage under the Plan, You have 60 days from the date of the qualifying event to enroll):

- You marry or begin a domestic partnership; or
- You acquire a new child by birth, adoption, or Placement for Adoption, or court-ordered legal guardianship.

If You are already enrolled or if You declined coverage when first eligible and subsequently have the following qualifying event, You (unless already enrolled), Your spouse (or Your domestic partner) and any eligible children are eligible to enroll for coverage under the Plan within 60 days from the date of the qualifying event:

- You and/or Your dependent(s) become eligible for premium assistance under Medicaid or the Children's Health Insurance Program (CHIP).

For the above qualifying events, if enrollment is requested as specified, coverage will be effective on the first of the calendar month following the date of the qualifying event, except that where the qualifying event is a child's birth, adoption, or Placement for Adoption, coverage is effective from the date of the birth, adoption or placement.

You or Your Enrolled Dependents are responsible for notifying Your Plan Sponsor within 60 days from the date of the qualifying event (90 days for legal guardianship event) or the date that coverage would otherwise be lost, whichever is later. This notice should be in writing to the following address: Human Resources Department, Snohomish County, 3000 Rockefeller Avenue, Everett, WA, 98201-4046.

ANNUAL ENROLLMENT PERIOD

The annual enrollment period is the only time, other than initial eligibility or a special enrollment period, during which You and/or Your eligible dependents may enroll. You must submit an enrollment form (and, in the case of a domestic partner, a completed affidavit of qualifying domestic partnership form) on behalf of all individuals You want enrolled. Coverage for You and Your enrolling eligible dependents will begin on the Effective Date.

DOCUMENTATION OF ELIGIBILITY

You must promptly furnish or cause to be furnished any information necessary and appropriate to determine the eligibility of a dependent. Such information must be received before enrolling a person as a dependent under the Plan.

When Coverage Ends

This section describes the situations when coverage will end for You and/or Your Enrolled Dependents. If You lose an Enrolled Dependent, You must notify the Claims Administrator within 30 days of the date on which an Enrolled Dependent is no longer eligible for coverage.

No person will have a right to receive any benefits after the Plan terminates. Termination of Your or Your Enrolled Dependent's coverage under the Plan for any reason will completely end all obligations to provide You or Your Enrolled Dependent benefits for Covered Services received after the date of termination. This applies whether or not You or Your Enrolled Dependent is then receiving treatment or is in need of treatment for any Illness or Injury incurred or treated before or while the Plan was in effect.

AGREEMENT TERMINATION

If the Agreement is terminated or not renewed, claims administration by Regence ends for You and Your Enrolled Dependents on the date the Agreement is terminated or not renewed (except, if agreed between the Plan Sponsor and Regence, Regence may administer certain claims for services that Claimants received before that termination or nonrenewal).

WHAT HAPPENS WHEN YOU ARE NO LONGER ELIGIBLE

If You are no longer eligible as explained in the following paragraphs, Your and Your Enrolled Dependents' coverage ends on the last day of the monthly period in which Your eligibility ends. However, it may be possible for You and/or Your Enrolled Dependents to continue coverage under the Plan according to the continuation of coverage provisions of this Booklet.

TERMINATION OF YOUR EMPLOYMENT OR YOU ARE OTHERWISE NO LONGER ELIGIBLE

If You are no longer eligible due to termination of employment or You are otherwise no longer eligible according to the terms of the Plan, Your coverage will end for You and all Enrolled Dependents on the last day of the monthly period following the date on which eligibility ends.

NONPAYMENT

If You fail to make required timely contributions to the cost of coverage under the Plan, Your coverage will end for You and all Enrolled Dependents.

FAMILY AND MEDICAL LEAVE

If Your employer grants You a leave of absence under the Family and Medical Leave Act of 1993 (Public Law 103-3, "FMLA") the following rules will apply. The Act is generally applicable to private employers of 50 or more employees and public employers of any size. You will be entitled to continued coverage under this provision only to the extent You are eligible for leave under the terms of the FMLA:

- You and Your Enrolled Dependents will remain eligible to be enrolled under the Plan during the FMLA leave for a period of up to 12 weeks during a 12-month period for one of the following:
 - in order to care for Your newly born child;
 - in order to care for Your spouse, domestic partner, child or parent, if such spouse, domestic partner, child or parent has a serious health condition;
 - the placement of a child with You for adoption or foster care; or
 - You suffer a serious physical or Mental Health Condition.

During the FMLA leave, You must continue to make payments for coverage through the Plan Sponsor on time. The provisions described here will not be available if the Plan terminates.

If You and/or Your Enrolled Dependents elect not to remain enrolled during the FMLA leave, You (and/or Your Enrolled Dependents) will be eligible to be reenrolled under the Plan on the date You return from the FMLA leave. In order to reenroll after You return from a FMLA leave, You must sign a new enrollment form just as if You were a newly eligible employee. In this situation, if You reenroll within the required time, all of the terms and conditions of the Plan will resume at the time of reenrollment as if there had been no lapse in coverage. You (and/or Your Enrolled Dependents) will receive credit for any waiting

period served before the FMLA leave and You will not have to re-serve any probationary period under the Plan, although You and/or Your Enrolled Dependents will receive no waiting period credits for the period of noncoverage.

Persons entitled to coverage under this provision will not be entitled to any other extension of benefits described in this section for the same situation that entitles them to coverage under this provision. Entitlement to FMLA leave does not constitute a qualifying event for the purpose of COBRA continuation. However, a person who does not return to active employment following FMLA leave may be entitled to COBRA continuation coverage. The duration of that COBRA continuation will be calculated from the date the person fails to return from the FMLA leave.

The provisions and administration described here are based on the requirements of the Family and Medical Leave Act of 1993, as amended, and will be governed by the FMLA law and any subsequent amendments and regulations. If any conflicts arise between the provisions described here and FMLA, the minimum requirements of FMLA will govern. This leave provision is available only to groups that are required by law to comply. The Plan Sponsor must keep the Claims Administrator advised regarding the eligibility for coverage of any employee who may be entitled to the benefits extended by FMLA.

LEAVE OF ABSENCE

If You are granted a non-FMLA temporary leave of absence by Your employer, You can continue coverage for up to three months. Payments must be made through the Plan Sponsor in order to maintain coverage during a leave of absence.

A leave of absence is a period off work granted by Your employer at Your request during which You are still considered to be employed and are carried on the employment records of the Plan Sponsor. A leave can be granted for any reason acceptable to Your employer. If You are on leave for an FMLA-qualifying reason, You remain eligible under the Plan only for a period equivalent to FMLA leave and may not also continue coverage under a non-FMLA leave.

If You and/or Your Enrolled Dependents elect not to remain enrolled during the leave of absence, You (and/or Your Enrolled Dependents) may reenroll under the Plan only during the next annual enrollment period.

WHAT HAPPENS WHEN YOUR ENROLLED DEPENDENTS ARE NO LONGER ELIGIBLE

If Your dependent is no longer eligible as explained in the following paragraphs (unless specified to the contrary below), his or her coverage will end on the last day of the monthly period in which his or her eligibility ends. However, it may be possible for an ineligible dependent to continue coverage under the Plan according to the continuation of coverage provisions of this Booklet.

Divorce or Annulment

Eligibility ends for Your enrolled spouse and the spouse's children (unless such children remain eligible by virtue of their continuing relationship to You) on the last day of the monthly period following the date a divorce or annulment is final.

If You Die

If You die, coverage for Your Enrolled Dependents ends on the last day of the monthly period in which Your death occurs.

Termination of Domestic Partnership

If Your domestic partnership terminates after the Effective Date (including any change in status such that You and Your domestic partner no longer meet any of the requirements outlined in the definition of a dependent), eligibility ends for the domestic partner and the domestic partner's children (unless such children remain eligible by virtue of their continuing relationship to You) on the last day of the monthly period following the date of termination of the domestic partnership. You are required to provide notice of the termination of a domestic partnership within 30 days of its occurrence. You may not file another affidavit of qualifying domestic partnership for a domestic partner within 90 days after a request for termination of a domestic partnership has been received. This termination provision does not apply to any termination of domestic partnership that occurs as a matter of law because the parties to the

domestic partnership enter into a marriage (including any entry into marriage by virtue of an automatic conversion of the domestic partnership into a marriage).

Loss of Dependent Status

- For an enrolled child who is no longer an eligible dependent due to exceeding the dependent age limit, eligibility ends on the last day of the monthly period in which the child exceeds the dependent age limit.
- For an enrolled child who is no longer eligible due to disruption of placement before legal adoption and who is removed from placement, eligibility ends on the date the child is removed from placement.
- For an enrolled child who is no longer an eligible dependent for any other cause (not described above), eligibility ends on the last day of the monthly period in which the child is no longer a dependent.

OTHER CAUSES OF TERMINATION

Claimants may be terminated for any of the following reasons. However, it may be possible for them to continue coverage under the Plan according to the continuation of coverage provisions of this Booklet.

Fraudulent Use of Benefits

If You or Your Enrolled Dependent engages in an act or practice that constitutes fraud in connection with coverage or makes an intentional misrepresentation of material fact in connection with coverage, coverage under the Plan will terminate for that Claimant.

Fraud or Misrepresentation in Application

Coverage under the Plan is based upon all information furnished to the Claims Administrator, for the benefit of the Plan by You or on behalf of You and Your Enrolled Dependents. In the event of any intentional misrepresentation of material fact or fraud regarding a Claimant (including, but not limited to, a person who is listed as a dependent, but does not meet the eligibility requirements in effect with the Plan Sponsor), any action allowed by law or contract may be taken, including denial of benefits, termination of coverage and/or pursuit of criminal charges and penalties.

CERTIFICATES OF CREDITABLE COVERAGE

Requests for and inquiries about required certificates relating to period(s) of creditable coverage under the Plan should be directed to the Plan Sponsor, or to the Claims Administrator at P.O. Box 2998, Tacoma, WA 98401-2998.

You may also request a certificate of creditable coverage by sending a written request to the following address: Human Resources Department, Snohomish County, 3000 Rockefeller Avenue, Everett, WA 98201-4046.

COBRA Continuation of Coverage

COBRA is a continuation of this coverage for a limited time after certain events cause a loss of eligibility. COBRA continuation does not apply to all groups.

If the Plan is subject to COBRA, COBRA continuation is available to Your Enrolled Dependents if they lose eligibility because:

- Your employment is terminated (unless the termination is for gross misconduct);
- Your hours of work are reduced;
- You die;
- You and Your spouse divorce or the marriage is annulled;
- You and Your domestic partner terminate the domestic partnership;
- You become entitled to Medicare benefits; or
- Your Enrolled Dependent loses eligibility as a child under this coverage.

COBRA also is available to You if You lose eligibility because Your employment terminates (other than for gross misconduct) or Your hours of work are reduced. (A special COBRA continuation also applies to You and Your Enrolled Dependents under certain conditions if You are retired and Your employer files for bankruptcy.)

There are some circumstances involving disability or the occurrence of a second one of these events that can result in extension of the limited period of continuation following a termination of employment or reduction in working hours. COBRA also can terminate earlier than the maximum periods.

General Rules

Generally, You or Your Enrolled Dependents are responsible for payment of the full cost for COBRA continuation coverage, plus an administration fee, even if the Plan Sponsor contributes toward the cost of those not on COBRA continuation. The administration fee is 2 percent or, during any period of extension for disability, 50 percent.

In order to preserve Your and Your Enrolled Dependent's rights under COBRA, You or Your Enrolled Dependents must inform the Plan Sponsor in writing within 60 days of:

- Your divorce or annulment, termination of domestic partnership or a loss of eligibility of a child;
- Your initial loss of eligibility due to Your termination of employment or reduction in working hours and You experience another one of the events listed above; or
- a Social Security disability determination that You or Your Enrolled Dependent was disabled for Social Security purposes at the time of a termination of employment or reduction in working hours or within the first 60 days of COBRA continuation following that event. (If a final determination is later made that You or Your Enrolled Dependent is no longer disabled for Social Security purposes, You or Your Enrolled Dependent must provide the Plan Sponsor notice of that determination within 30 days of the date it is made.)

The Plan Sponsor also must meet certain notification, election and payment deadline requirements. It is therefore very important that You keep the Plan Sponsor informed of the current address of all Claimants who are or may become qualified beneficiaries.

If You or Your Enrolled Dependents do not elect COBRA continuation coverage, coverage under the Plan will end according to the terms described in the Booklet and claims under the Plan for services provided on and after the date coverage ends will not be paid. Further, this may jeopardize Your or Your Enrolled Dependents' future eligibility for an individual plan.

Notice

The complete details on the COBRA Continuation provisions outlined here are available from the Plan Sponsor.

After You and/or Your Enrolled Dependents term of COBRA continuation coverage has been exhausted, an Individual policy may be available.

Other Continuation Options

This section describes situations when coverage may also be extended for You and/or Your Enrolled Dependents beyond the date of termination.

Medicare Supplement Or Individual Contract

When eligibility under the Plan terminates, You may be eligible for coverage under an individual insurance policy or a Medicare supplement plan through the Claims Administrator. Additional information is available by calling the Claims Administrator's Customer Service at 1 (800) 962-0301.

- If You are eligible for Medicare, You may be eligible for coverage under one of the Claims Administrator's Medicare supplement plans. To be eligible for continuous coverage, the Claims Administrator must receive Your application within 31 days following Your termination from the Plan. If You apply for a Medicare supplement plan within six months of enrolling in Medicare Part B coverage, the Claims Administrator will not require a health statement. After the six-month enrollment period, the Claims Administrator may require a health statement. Benefits and premiums under the Medicare supplement plan will be substantially different from the Plan.
- If You are not eligible for Medicare, You may be eligible for coverage under one of the Claims Administrator's individual plans. To be eligible, You must submit a completed application form and health questionnaire, if applicable, and must be accepted by the Claims Administrator for coverage. Benefits and premiums under the individual plan may be substantially different from the Plan.

If the Agreement terminates and the Plan Sponsor transfers its health care plan to another contract with the Claims Administrator or to another carrier and You are covered under that plan, this continuation option does not apply.

Strike, Lockout Or Other Labor Dispute

If Your compensation is suspended or terminated directly or indirectly as the result of a strike, lockout or other labor dispute, You may continue coverage under the Plan for Yourself and Your Enrolled Dependents during the dispute for a period not exceeding six months, by making the necessary payments for Your coverage through the Plan Sponsor. This provision will not apply if You and Your Enrolled Dependents are eligible for COBRA.

If You are employed under a collective bargaining agreement and involved in a work stoppage because of a strike or lockout, Your coverage can be continued for up to six months. You must pay the full cost, including any part usually paid by the Plan Sponsor, directly to the union or trust that represents You. And the union or trust must continue to pay the Claims Administrator the payments according to the Agreement. This six months of continued coverage is in lieu of and not in addition to any continuation of coverage provisions of the Plan.

General Provisions

This section explains various general provisions regarding Your benefits under this coverage.

CHOICE OF FORUM

Any legal action arising out of the Plan benefit option described herein must be filed in a court in the state of Washington.

GOVERNING LAW AND DISCRETIONARY LANGUAGE

The Plan will be governed by and construed in accordance with the laws of the United States of America and by applicable laws of the State of Washington without regard to its conflict of law rules. The plan administrator, the Plan Sponsor, delegates the Claims Administrator discretion for the purposes of paying benefits under this coverage only if it is determined that You are entitled to them and of interpreting the terms and conditions of the plan. Final determinations pursuant to this reservation of discretion do not prohibit or prevent a claimant from seeking judicial review of those determinations in federal court. The reservation of discretion made under this provision only establishes the scope of review that a court will apply when You seek judicial review of a determination of the entitlement to and payment of benefits or interpretation of the terms and conditions applicable to the plan. The Claims Administrator is not the plan administrator, but does provide claims administration under the Plan, and the court will determine the level of discretion that it will accord determinations.

PLAN SPONSOR IS AGENT

The Plan Sponsor is Your agent for all purposes under the Plan and not the agent of Regence BlueShield. You are entitled to health care benefits pursuant to the Plan. In the Agreement, the Plan Sponsor agrees to act as agent for You in acknowledging Your agreement to the terms, provisions, limitations and exclusions contained in the Booklet. You, through the enrollment form signed by the Participant, and as beneficiaries of the Plan, acknowledge and agree to the terms, provisions, limitations and exclusions described in this Booklet.

NO WAIVER

The failure or refusal of either party to demand strict performance of the Plan or to enforce any provision will not act as or be construed as a waiver of that party's right to later demand its performance or to enforce that provision. No provision of the Plan will be considered waived unless such waiver is reduced to writing and signed by one of the Plan Sponsor's authorized officers.

NOTICES

Any notice to Claimants or to the Plan Sponsor required in the Plan will be considered to be properly given if written notice is deposited in the United States mail or with a private carrier. Notices to a Participant or to the Plan Sponsor will be addressed to the Participant or to the Plan Sponsor at the last known address appearing in the Claims Administrator's records. If the Claims Administrator receives a United States Postal Service change of address form (COA) for a Participant, it will update its records accordingly. Additionally, the Claims Administrator may forward notice for a Participant to the plan administrator or Plan Sponsor if it becomes aware that it doesn't have a valid mailing address for the Participant. Any notice to the Claims Administrator required in the Agreement may be given by mail addressed to: Regence BlueShield, P.O. Box 2998, Tacoma, WA 98401-2998; provided, however that any notice to the Claims Administrator will not be considered to have been given to and received by it until physically received.

RELATIONSHIP TO BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Plan Sponsor on behalf of itself and its Claimants expressly acknowledges its understanding that the Agreement constitutes an agreement solely between the Plan Sponsor and Regence, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans (the Association), permitting Regence to use the Blue Shield Service Mark in the state of Washington, for those counties designated in the Service Area, and that Regence is not contracting as the agent of the Association. The Plan Sponsor on behalf of itself and its Claimants further acknowledges and agrees that it has not entered into the Agreement based upon representations by any person or entity other than Regence and that no person or entity other than Regence will be held accountable or liable to the Plan Sponsor or the Claimants for any of Regence's obligations to the Plan Sponsor or the Claimants created under the Agreement. This paragraph will not create any additional obligations whatsoever on the part of Regence other than those obligations created under other provisions of the Agreement.

REPRESENTATIONS ARE NOT WARRANTIES

In the absence of fraud, all statements You make in an enrollment form will be considered representations and not warranties. No statement made for the purpose of obtaining coverage will void such coverage or reduce benefits unless contained in a written document signed by You, a copy of which is furnished to You.

WHEN BENEFITS ARE AVAILABLE

In order for health expenses to be covered under the Plan, they must be incurred while coverage is in effect. Coverage is in effect when all of the following conditions are met:

- the person is eligible to be covered according to the Plan's eligibility provisions; and
- the person has enrolled in coverage and has been enrolled by the Claims Administrator.

The expense of a service is incurred on the day the service is provided and the expense of a supply is incurred on the day the supply is delivered to You.

WOMEN'S HEALTH AND CANCER RIGHTS

If You are receiving benefits in connection with a mastectomy and You, in consultation with Your attending Physician, elect breast reconstruction, coverage under the Plan will be provided (subject to the same provisions as any other benefit) for:

- reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- prosthesis and treatment of physical complications of all stages of mastectomy, including lymphedemas.

Definitions

The following are definitions of important terms used in this Booklet. Other terms are defined where they are first used.

Affiliate means a company with which the Claims Administrator has a relationship that allows access to providers in the state in which the Affiliate serves and includes the following companies: Regence BlueShield of Idaho in the state of Idaho, Regence BlueCross BlueShield of Oregon in the state of Oregon and Regence BlueCross BlueShield of Utah in the state of Utah.

Allowed Amount means:

- For preferred and participating Providers (see definitions of "Category 1" and "Category 2" below), the amount that they have contractually agreed to accept as payment in full for a service or supply.
- For nonparticipating Providers (see definition of "Category 3" below) who are not accessed through the BlueCard Program, the amount the Claims Administrator has determined to be reasonable charges for Covered Services or supplies. The Allowed Amount may be based upon the billed charges for some services, as determined by the Claims Administrator or as otherwise required by law.
- For nonparticipating Providers (see definition of "Category 3" below) accessed through the BlueCard Program, the lower of the Provider's billed charges and the amount that the Host Blue identifies to the Claims Administrator as the amount on which it would base a payment to that Provider.

Charges in excess of the Allowed Amount are not considered reasonable charges and are not reimbursable. For questions regarding the basis for determination of the Allowed Amount, please contact the Claims Administrator.

Ambulatory Service Facility means a facility, licensed by the state in which it is located, that is equipped and operated mainly to do surgeries or obstetrical deliveries that allow patients to leave the facility the same day the surgery or delivery occurs.

Booklet is the description of the benefits for this coverage. The Booklet is part of the Agreement between the Plan Sponsor and the Claims Administrator.

Calendar Year means the period from January 1 through December 31 of the same year; however, the first Calendar Year begins on the Claimant's Effective Date.

Category 1 means the benefit reimbursement level for services that are received from a Provider who has an effective participating contract and an effective preferred addendum or agreement with the Claims Administrator or one of the Claims Administrator's Affiliates which designates him, her or it as a preferred Provider to provide services and supplies to Claimants in accordance with the provisions of this coverage.

Category 1 also means Providers outside the area that the Claims Administrator or one of the Claims Administrator's Affiliates serves, but who have contracted with another Blue Cross and/or Blue Shield organization in the BlueCard Program (designated as a Provider in the "Preferred Provider Organization ("PPO") Network") to provide services and supplies to Claimants in accordance with the provisions of this coverage.

Category 1 reimbursement is generally at the highest payment level and You will not be charged for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.

Category 2 means the benefit reimbursement level for services that are received from a Provider who has an effective participating contract with the Claims Administrator or one of the Claims Administrator's Affiliates which designates him, her or it as a participating Provider as well as Providers outside the area that or one of the Claims Administrator's Affiliates serves, but who have contracted with another Blue Cross and/or Blue Shield organization in the BlueCard Program (designated as a Provider in the "Participating Network") to provide services and supplies to Claimants in accordance with the provisions of this coverage. Category 2 reimbursement is generally a lower payment level than Category 1, but You

will not be charged for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.

Category 3 means the benefit reimbursement level for services that are received from a Provider who does not have an effective participating contract with the Claims Administrator or one of the Claims Administrator's Affiliates to provide services and supplies to Claimants. Category 3 reimbursement is generally the lowest payment level of all categories, and You may be billed for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services. However, Covered Services in Washington State outside of the Service Area that are provided by licensed chiropractors or licensed optometrists practicing within the scope of his or her respective licenses will be covered at 100% of the Allowed Amount, and You may be billed for balances beyond any Deductible, Copayment, and/or Coinsurance for Covered Services.

Claimant means a Participant or an Enrolled Dependent.

Covered Service means a service, supply, treatment or accommodation that is listed in the benefits sections of the Booklet.

Custodial Care means care that is for the purpose of watching and protecting a patient, rather than being a Health Intervention. Custodial Care includes care that helps the patient conduct activities of daily living that can be provided by a person without medical or paramedical skills and/or is primarily for the purpose of separating the patient from others or preventing self-harm.

Dental Services means services or supplies (including medications) provided to prevent, diagnose, or treat diseases or conditions of the teeth and adjacent supporting soft tissues, including treatment that restores the function of teeth.

Effective Date means the date Your coverage under the Agreement begins after acceptance for enrollment under the Plan.

Emergency Medical Condition means a medical condition that manifests itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson who has an average knowledge of medicine and health would reasonably expect the absence of immediate medical attention at a Hospital emergency room to result in any one of the following:

- placing the Claimant's health, or with respect to a pregnant Claimant, her health or the health of her unborn child, in serious jeopardy;
- serious impairment to bodily functions; or
- serious dysfunction of any bodily organ or part.

Enrolled Dependent means a Participant's eligible dependent who is listed on the Participant's completed enrollment form and who is enrolled under the Plan.

Essential Benefits are determined by the U.S. Department of Health and Human Services ("HHS") and are subject to change, but currently include at least the following general categories and the items and services covered within the categories: ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, including behavioral health treatment, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management, and pediatric services including oral and vision care.

Family means a Participant and his or her Enrolled Dependents.

Health Intervention is a medication, service or supply provided to prevent, diagnose, detect, treat or palliate the following: disease, illness, injury, genetic or congenital anomaly, pregnancy or biological or psychological condition that lies outside the range of normal, age-appropriate human variation; or to maintain or restore functional ability. A Health Intervention is defined not only by the intervention itself, but also by the medical condition and patient indications for which it is being applied. A Health

Intervention is considered to be new if it is not yet in widespread use for the medical condition and the patient indications being considered.

Health Outcome means an outcome that affects health status as measured by the length or quality of a person's life. The Health Intervention's overall beneficial effects on health must outweigh the overall harmful effects on health.

Hospital means a facility that is licensed as a general acute or specialty Hospital by the state in which the Hospital is located. A Hospital provides continuous 24-hour nursing services by registered nurses. A Hospital has an attending medical staff consisting of one or more Physicians. A Hospital under this definition is not, other than incidentally, a place for rest, a nursing home or a facility for convalescence.

Illness means a congenital malformation that causes functional impairment; a condition, disease, ailment or bodily disorder, other than an Injury; and pregnancy. Illness does not include any state of mental health or mental disorder (which is otherwise defined in this Booklet).

Injury means physical damage to the body inflicted by a foreign object, force, temperature or corrosive chemical or that is the direct result of an accident, independent of Illness or any other cause. An Injury does not mean bodily Injury caused by routine or normal body movements such as stooping, twisting, bending or chewing and does not include any condition related to pregnancy.

Investigational means a Health Intervention that the Claims Administrator has classified as Investigational. The Claims Administrator will review Scientific Evidence from well-designed clinical studies found in Peer-Reviewed Medical Literature, if available, and information obtained from the treating Physician or Practitioner regarding the Health Intervention to determine if it is Investigational. A Health Intervention not meeting all of the following criteria, is, in the Claims Administrator's judgment, Investigational:

- If a medication or device, the Health Intervention must have final approval from the United States Food and Drug Administration as being safe and efficacious for general marketing. However, if a medication is prescribed for other than its FDA-approved use and is recognized as "effective" for the use for which it is being prescribed, benefits for that use will not be excluded. To be considered "effective" for other than its FDA-approved use, a medication must be so recognized in one of the standard reference compendia or, if not, then in a majority of relevant Peer-Reviewed Medical Literature; or by the United States Secretary of Health and Human Services. The following additional definitions apply to this provision:
 - Peer-Reviewed Medical Literature is scientific studies printed in journals or other publications in which original manuscripts are published only after having been critically reviewed for scientific accuracy, validity and reliability by unbiased independent experts. Peer-Reviewed Medical Literature does not include in-house publications of pharmaceutical manufacturing companies.
 - Standard Reference Compendia is one of the following: the American Hospital Formulary Service-Drug Information, the United States Pharmacopoeia-Drug Information or other authoritative compendia as identified from time to time by the federal Secretary of Health and Human Services or the Washington State Insurance Commissioner.
- The Scientific Evidence must permit conclusions concerning the effect of the Health Intervention on Health Outcomes, which include the disease process, Injury or Illness, length of life, ability to function and quality of life.
- The Health Intervention must improve net Health Outcome.
- The Scientific Evidence must show that the Health Intervention is as beneficial as any established alternatives.
- The improvement must be attainable outside the laboratory or clinical research setting.

Upon receipt of a fully documented claim or request for preauthorization related to a possible Investigational Health Intervention, a decision will be made and communicated to You within 20 working days. Please contact the Claims Administrator by calling the Claims Administrator's Customer Service department at 1 (800) 962-0301 or by visiting the Claims Administrator's Web site at **www.Regence.com**

for details on the information needed to satisfy the fully documented claim or request requirement. You may also have the right to an Expedited Appeal. Refer to the Appeal Process Section for additional information on the Appeal process.

Lifetime means the entire length of time a Claimant is covered under the Plan (which may include more than one coverage) through the Plan Sponsor with the Claims Administrator.

Medically Necessary or Medical Necessity means health care services or supplies that a Physician or other health care Provider, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an Illness, Injury, disease or its symptoms, and that are:

- in accordance with generally accepted standards of medical practice;
- clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's Illness, Injury or disease; and
- not primarily for the convenience of the patient, Physician or other health care Provider, and not more costly than an alternative service or sequence of services or supply at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's Illness, Injury or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible Scientific Evidence published in Peer-Reviewed Medical Literature generally recognized by the relevant medical community, Physician Specialty Society recommendations and the views of Physicians and other health care Providers practicing in relevant clinical areas and any other relevant factors. (If "Medically Necessary" or "Medical Necessity" is specifically defined in any benefit under the Medical Benefits Section of this Booklet, such definition shall be applicable for purposes of that benefit instead of this definition.)

Regence refers to Regence BlueShield.

Scientific Evidence means scientific studies published in or accepted for publication by medical journals that meet nationally recognized requirements for scientific manuscripts and that submit most of their published articles for review by experts who are not part of the editorial staff; or findings, studies or research conducted by or under the auspices of federal government agencies and nationally recognized federal research institutes. However, Scientific Evidence shall not include published peer-reviewed literature sponsored to a significant extent by a pharmaceutical manufacturing company or medical device manufacturer or a single study without other supportable studies.

Service Area means Washington counties of Clallam, Columbia, Cowlitz, Grays Harbor, Island, Jefferson, King, Kitsap, Klickitat, Lewis, Mason, Pacific, Pierce, San Juan, Skagit, Skamania, Snohomish, Thurston, Wahkiakum, Walla Walla, Whatcom and Yakima.
